Laadpaal 3

Laadpaal

The screenshot shows the JULLIX mobile application interface for a charging station. At the top, there is a purple header with the JULLIX logo and icons for search, notifications, and user profile. Below the header, the station is identified as 'MUON 32'. The location is 'DEMO Installatie' at 'Schaapsweg 32 Beringen 3582 België'. The station status is 'Ingestoken' (plugged in). The current vehicle is 'Ludwig's Car'. The power output is 0.00 kW, and the cost is 0.00 €. The interface includes controls for the car, such as 'Start' and 'Stop' buttons, and driving modes: 'ECO', 'Turbo', 'Max', and 'Blok'. A bottom navigation bar contains icons for 'Dashboard', 'Grafieken', 'Laadpaal' (selected), and 'Smart plug'.
